Mr. James M. Frey

Executive Office of the President
Office of Management and Budget

Dear Mr. Frey:

This responds to your request of January 4, 1983 for the views of the Nuclear Regulatory Commission on Enrolled Bill H.R. 6211, the "Surface Transportation Assistance Act of 1982."

The Nuclear Regulatory Commission has reviewed the bill and finds that it has no effect on the activities and regulatory authority of the Commission and accordingly, has no objections to the President's signing the bill.

Sincerely,

Nunzio J. Palladino
