Docket No. 50-160

Georgia Institute of Technology
Nuclear and Biological Sciences Division
ATTN: Dr. M. V. Davis
Director of Nuclear Center
Atlanta, Georgia 30332

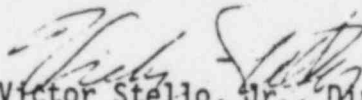

Gentlemen:

By letter dated November 2, 1977, you requested exemption, pursuant to 10 CFR 73.5, of Georgia Institute of Technology from the additional security provisions of 10 CFR 73.50 and 73.60 for a period of one year.

Based on our enclosed Safety Evaluation of your request, we have concluded that sufficient justification has been provided for granting the requested exemption subject to complying with the existing security program and all other safeguard measures now in place. This exemption is granted for a period of one year from the date of this letter.

We have further concluded that granting this specific exemption is authorized by law, will not endanger life or property or the common defense and security and is otherwise in the public interest.

Sincerely,

Victor Stello, Jr., Director
Division of Operating Reactors
Office of Nuclear Reactor Regulation
