

APPENDIX

NOTICE OF VIOLATION

Oklahoma State University  
The College of Osteopathic Medicine  
Tulsa, Oklahoma 74107-1898

Docket: 030-17560  
License: 35-19079-01

During an NRC inspection conducted on February 2, 1994, a violation of NRC requirements was identified. In accordance with the "General Statement of Policy and Procedure for NRC Enforcement Actions," 10 CFR Part 2, Appendix C, the violation is listed below:

License condition 16 requires, in part, that licensed activities be conducted in accordance with statements, representations, and procedures contained in the licensee's letter dated July 9, 1986.

The licensee's letter dated July 9, 1986, specifies, in part, that the Radiation Safety Officer or his designee will check monthly for spills or contaminations by swabbing areas where radiolabeled compounds are used.

Contrary to the above, during the months of July, August and September 1993, laboratories using radiolabeled compounds were not checked for spills or contaminations. Specifically, Room Nos. 215, 217 and 218, where radiolabeled compounds were used, had not been surveyed at the required monthly intervals.

This is a Severity Level IV violation (Supplement VI).

Pursuant to the provisions of 10 CFR 2.201, Oklahoma State University, College of Osteopathic Medicine is hereby required to submit a written statement or explanation to the U.S. Nuclear Regulatory Commission, ATTN: Document Control Desk, Washington, D.C. 20555, with a copy to the Regional Administrator, Region IV, 611 Ryan Plaza Drive, Suite 400, Arlington, Texas 76011, within 30 days of the date of the letter transmitting this Notice of Violation (Notice). This reply should be clearly marked as a "Reply to a Notice of Violation" and should include for each violation: (1) the reason for the violation, or, if contested, the basis for disputing the violation, (2) the corrective steps that have been taken and the results achieved, (3) the corrective steps that will be taken to avoid further violations, and (4) the date when full compliance will be achieved. If an adequate reply is not received within the time specified in this Notice, an order or a Demand for Information may be issued to show cause why the license should not be modified, suspended, or revoked, or why such other action as may be proper should not be taken. Where good cause is shown, consideration will be given to extending the response time.

Dated at Arlington, Texas  
this 9th day of March 1994
