

L 999 MARCH 24 1995

Mr. Al Blunt
Graphics Chief
Nuclear Regulatory Commission
11,555 Rockville Pike
Rockville, Maryland 20852

Dear Al,

Thanks again for sending me to see John. It is amazing how close this industry is. I knew John many years ago when he was with Friar Graphics! I am very excited to have this opportunity to be considered as your new vendor.

I took the liberty to send you a copy of a follow up letter I wrote to John, reviewing the some of the advantages we offer.

Cordially,

Diego
