The Honorable Ivan Selin  
Chairman

U.S.A

Dear Chairman Selin,

The arrangement between the United States Nuclear Regulatory Commission and the Comissão Nacional de Energia Nuclear of Brazil for the exchange of Technical Information and Cooperation in Regulatory and Safety Research Matters is due to expire in May 1994.

This arrangement was signed in Rockville, Maryland on 8th of May 1989 by Chairmen Zech, for NRC, and Nazaré Alves, for CNEN.

CNEN looks forward for a renewal of that Arrangement for another period of 5 years.

I take this opportunity to inform you that CNEN has designated Mr. Ivano H. Marchesi, International Relations Officer, to act as Administrator according to item II.b of the Arrangement.

I would appreciate to be informed on his counterpart from NRC so that both can get in touch with each other and coordinate the renewal process.

Mr. José Mendonça de Lima, Reactor Department Head, has also been designated as Technical Coordinator, in the area of Nuclear Reactors, according to the same item. Further technical coordinators will be designated in due time.

I look forward to hear from you.

Sincerely Yours,

  
Laércio Antonio Vinhas  
Acting Chairman
