Dear Dr. McGee:

SUBJECT: Enforcement Conference Report No. 030-33401/94-001

This letter refers to the Enforcement Conference held between you and other members of the NRC Region I staff on January 14, 1994. It is our view that this conference was beneficial in that it improved your understanding of our concerns regarding the apparent violations identified in our Inspection Report No. 030-06309/93-002, which was sent to you on December 20, 1993. The discussion gave us a better understanding of your actions to correct the root cause of these problems. The subjects discussed during the conference are summarized in the enclosed Enforcement Conference Report.

Enforcement action resulting from this inspection will be transmitted to you under separate cover.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosure will be placed in the NRC's Public Document Room.

No reply to this letter is required. Your cooperation with us in this matter is appreciated.

Sincerely,

Charles W. Hehl, Director
Division of Radiation Safety
and Safeguards
