Dear Mr. Ippolito:

As per your request, we are enclosing, under separate cover, 25 copies of Thermal Monitoring Reports Nos. 67, 68, and 69, covering the periods from January 1 through January 31, February 1 through February 28, and March 1 through March 31, 1979, for Peach Bottom Atomic Power Station, Unit Nos. 2 and 3, distributed to the State of Pennsylvania and the Nuclear Regulatory Commission. Please note that Reports Nos. 67 and 68 for January and February, 1979, have been revised to correct the flow listing in Table 1.

These reports have been compiled in compliance with the monthly reporting requirements set forth in Appendix B to the Peach Bottom Operating License, Environmental Technical Specification and Bases.

Very truly yours,

W. B. Willsey
Superintendent
Services Division
