Dear Mr. Grimsley,

Under the provisions of the federal Freedom of Information Act, I request that your office provide a list of all investigations undertaken by the NRC Office of Investigations from 1980 to present. The list should include the case number, the name -- or subject -- of the investigation, the city and state of the subject, and the date closed.

I greatly appreciate your help in obtaining this information about OI investigations.

Please feel free to ring me at 216-344-4808 with questions.

Truly,

Dave Davis
