Dear Mr. Gogol:

Pursuant to your January 4, 1983 conversation with Michael Blume of our General Counsel's office in which you indicated that your letter of December 15, 1982 was intended to constitute a request for a hearing, I am referring it to the Atomic Safety and Licensing Board Panel for appropriate action. As Mr. Blume informed you, an amendment to the operating license was issued on December 16, 1982.

Sincerely,

Samuel J. Chilk
Secretary of the Commission
