Docket No. 50-326

University of California
Irvine, California 92717

Attention: Professor J. L. McGaugh
Executive Vice Chancellor

Gentlemen:

Subject: NRC Inspection of University of California
at Irvine TRIGA Reactor

This refers to the routine inspection conducted by Mr. M. Cillis of this office on December 14-16, 1982 of activities authorized by NRC License No. R-116 and to the discussions of our findings held by Mr. Cillis with Dr. G. Miller and other members of your staff at the conclusion of the inspection.

The inspection was an examination of the activities conducted under your license as they relate to radiation safety and to compliance with the Commission's rules and regulations and the conditions of your license. The inspection consisted of selective examinations of procedures and representative records, interviews with personnel and observations by the inspector.

Based on the results of this inspection, it appears that certain of your activities were not conducted in full compliance with NRC requirements as set forth in the Notice of Violation, enclosed herewith as Appendix A.

Your response to this notice is to be submitted in accordance with the provisions of 10 CFR 2.201 as stated in Appendix A, Notice of Violation.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosures will be placed in the NRC Public Document Room unless you notify this office, by telephone within ten days of the date of this letter and submit written application to withhold information contained therein within thirty days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1).
