Dear Mr. Linnemann:

SUBJECT: ENFORCEMENT CONFERENCE REPORT NO. 030-06309/94-001

This letter refers to the Enforcement Conference held between Mr. Thomas Linnemann and Dr. Charles McGee of your staff, and Mr. Michael Weber and other members of the NRC Region I staff on February 3, 1994. It is our view that this conference was beneficial in that it improved your understanding of our concerns regarding the apparent violations identified in our January 28, 1994 letter. The subjects discussed during the conference are summarized in the enclosed Enforcement Conference Report.

Enforcement action resulting from this inspection will be transmitted to you under separate cover.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosure will be placed in the NRC's Public Document Room.

No reply to this letter is required. Your cooperation in this matter with us is appreciated.

Sincerely,

Original Signed by
