Dear Judith:

Subject: Proposal No. RS-IRM-92-344

This letter is in response to your correspondence of December 31, 1992, in which you announced Government Telecommunications, Inc. as being the successful offeror in Region V for Solicitation No. RS-IRM-92-344. I contacted Ms. Michelle DeBose on January 8, 1993 in order to request additional information concerning this award. At that time Ms. DeBose requested that I forward a written request for any additional information regarding the solicitation.

The questions we have regarding this solicitation are as follows:

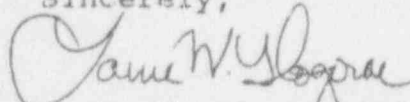

1. What were the architecture, configuration and components offered by Government Telecommunications, Inc.?
2. How much of the winning bid of \$269,359 can be attributed to hardware costs versus the amount that can be attributed to network costs.

Please forward your response to these questions to:
