

This preliminary notification constitutes EARLY notice of events of POSSIBLE safety or public interest significance. The information is as initially received without verification or evaluation and is basically all that is known by IE staff on this date.

Pacific Gas & Electric Company
Diablo Canyon, Unit-1
Docket No. 50-275
77 Beale Street
San Francisco, California 94106

Licensee Emergency Classification:
 Notification of Unusual Event
 Alert
 Site Area Emergency
 General Emergency
 Not Applicable

SUBJECT: BOMB THREAT

On January 11, 1983 at about 4:35 p.m., PDT, the Sierra Vista Hospital at San Luis Obispo received a telephone call from a male who stated substantially; "There's a bomb to go off at 6:30 at Diablo Canyon. Get your beds ready."

Sequential notifications of the County Sheriff's Office, Diablo Canyon, and PG&E security resulted in a notification of the NRC Headquarters Duty Officer at about 5:20 p.m., PDT, January 11, 1983. The licensee set up a "safe area" outside the plant for all personnel desiring to vacate. Search was made by security and operations personnel with negative results.

The IAT and Office of Emergency Services, State of California, have been notified.

No News release is planned by licensee or the NRC.

This preliminary notification is issued for information only and no further action by Region V is anticipated.

Region V received notification of this matter by telephone from the NRC Headquarters Duty Officer at 5:27 p.m., PST, on December 11, 1983. This information is current as of 8:30 a.m., PDT, December 12, 1983
