FREEDOM OF INFORMATION
ACT REQUEST

FOIA-93-287
Rec'd 5-17-93

Dear FOIA Officer:

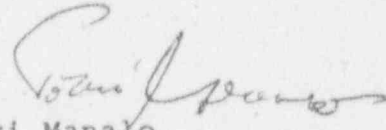

Under the Freedom of Information Act we request information on any contract awarded to News USA Inc. (a/k/a Radio USA) a firm that distributes news releases to the media on behalf of public affairs and media relations people.

We are requesting:

1. A photocopy of each contract awarded to News USA from January 1, 1991 through today, if you have that, or through whatever recent date will be more convenient for you (but please let me know the date.)
2. A copy of each successful bid proposal if such is not part of the contract.
3. A schedule of payments made to News USA--when and how much.
4. Information showing what the government got for the money: a photocopy or proof of news releases distributed, and a photocopy or printout showing clippings that resulted.

North American Precis Syndicate is a competitor of News USA and we request the above information so that we can serve the government's interest and our own by offering the government less cost, more results or both.

We will of course be happy to pay the cost of any photocopying done to give us the requested information, and to modify this request along lines you suggest if modification will be helpful to you. We want to fit in.

Sincerely, 
(Ms.) Terri Manalo
Service Manager
