Ms. Eiois Wiggins  
Contracting Officer  
U.S. Nuclear Regulatory Commission  
Div. of Contracts & Property Mgmt.  
Contract Neg. Branch No. 1  
Washington, DC 20555

Reference: Solicitation RS-IRM-90-215

Dear Ms. Wiggins:

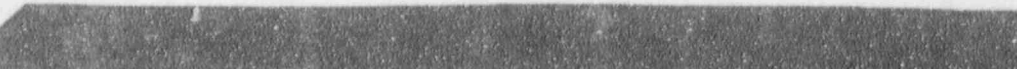

Government Telecommunications Inc. (GTI) is pleased to submit to you our proposal for your acquisition for Telecommunications Switching Systems for the Nuclear Regulatory Commission, Solicitation RS-IRM-90-215.

Our proposal consists of 3 Volumes:

- Volume I RFP and Associated Information;
- Volume II Cost Proposal;
- Volume III Technical and Management Proposal

which comprise responses which are fully compliant with the Government's terms and requirements including all amendments.

GTI is

 We are sure that you will find that our solution will meet all of the Government's requirements. GTI is offering a total system solution that will serve the U.S. Nuclear Regulatory Commission and the American public effectively and professionally for the life of this contract.

GTI has an excellent track record in providing, installing and maintaining over 200 telecommunications and computer systems in Government facilities throughout the United States. We have developed a management, support and maintenance staff that will be responsive to the Government's needs. GTI's staff and our teammates' staff together with all of our collective expertise stand ready to support NRC in the administration of this contract.

If you have any questions or require any additional information, please do not hesitate to contact either myself or Mr. Jim Collins (President) at 703-631-5155.

Sincerely,

Michael K. Gammill  
Vice President
