NAME: Timothy C. Johnson  
TITLE: Section Leader  
ADDRESS: U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555-0001

OHIO  
HISTORICAL  
SOCIETY  
SINCE 1885

Dear Mr. Johnson,

RE: U.S. Nuclear Regulatory Commission, Docket No. 40-8724, License No. Sub-1357, Chemetron operations in Cuyahoga County, Ohio.

We received your letter regarding the project noted above on 03/02/94. We will not be able to complete our review until the following information is provided:

- X 1. County, city, or USGS quad map indicating the precise location of the project.
- X 2. Photos of front, rear and side elevations of all structures to be affected by the project. Photocopies are not acceptable.
- X 3. Streetscape photos.
- X 4. Date of construction and brief history of the structure and the area (e.g. connections with local commercial, residential or industrial development or associations with individuals or groups important in area history).
- X 5. Project description.
- 6. Rehabilitation specifications.
- 7. Floor plans, section, elevations, showing existing & proposed changes.
- X 8. Past and present land use.
- X 9. Size of project (acreage).
- 10. Other:

I can be contacted at 614-297-2470 should you have any questions.

Sincerely,

Terence G. Skiba  
Review Services Assistant
