Division of Information Support Services  
Office of Information Resources Management

FROM: Mark A. Cunningham, Chief  
Probabilistic Risk Analysis Branch

SUBJECT: PLACEMENT OF RESEARCH REPORTS IN THE PUBLIC DOCUMENT ROOM

Enclosed are copies, listed in the attachment, of unpublished documents that are being used as references in an NRC report, NUREG-1489. Please deposit these reports in the Public Document Room.

In two instances, we have not provided copies of NUREG/BR reports (References B.51 and B.64) which have been released for public comment, since we assume that copies are already in the PDR. Similarly, we have not provided copies of two references which we know are in the PDR. However, we have provided the microfiche references.

If you have any questions, please contact me at 492-3965.
