

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

September 1992

MEMORANDUM FOR: NRC Employees

FROM: Lillian W. van Santen, PRA Project Manager  
Organizational Development and Training  
Office of Personnel

SUBJECT: PROBABILISTIC RISK ASSESSMENT (PRA) TECHNOLOGY TRANSFER  
PROGRAM COURSE SCHEDULE FOR FY-1993

Attached is a brochure providing information on the Probabilistic Risk Assessment (PRA) Technology Transfer Program. All courses listed in the schedule are continually updated to better meet the needs of PRA users.

This brochure contains a brief description of the PRA Technology Transfer Program and the courses currently in the program. Registration procedures are provided on Page 1. Page 2 lists the courses, dates, and locations for the courses currently schedule for Fiscal Year 1993.

As indicated under registration procedures, individual course announcements will be sent to each NRC employee eight weeks prior to the course date. If you wish to enroll in the course, complete the registration form which will be provided on the back of each course announcement. A copy of the form is also included in this brochure on Page 17. After you obtain your supervisor's approval, you should send the form to your Personnel/Training Representative. A list of Personnel/Training Representatives is provided on Page 16 of the brochure for your convenience.

If you have any questions, comments, or future PRA training needs, please contact me on (301) 492-8938.

Sincerely,

*Lillian W. van Santen*
