MEMORANDUM FOR: George Beveridge
Program Support Branch, NMSS

FROM: Joseph O. Bunting, Chief
Licensing Process and Integration Branch, WM

SUBJECT: FOIA REQUEST FROM M. SCHLEIFSTEIN (NMSS-821225)

Attached is a list of related material for FOIA 82-591 from M. Schleifstein.

We have included more information than specifically requested to provide a broader perspective of this subject matter. Material which cannot be found in the Public Document Room is attached. DCS accession numbers are listed for the material which can be found in the Public Document Room.

We request this material be reviewed by Messrs. Miller and Knapp who are on official travel this week. As soon as they return to the office on Monday morning, 12/20, they will be in touch with you to insure all necessary material has been forwarded.

If there are any problems or questions, please let me know.
