WMPI: 414.16

MEMORANDUM FOR: Glenn A. Terry
Uranium Fuel Licensing Branch
Division of Fuel Cycle and Material Safety

FROM: Joseph O. Bunting, Chief
Licensing Process and Integration Branch
Division of Waste Management

SUBJECT: DATA BASE FOR PART 21 AND 50.55(e) REPORTING

The Division of Waste Management has minimal requirements under the above parts. We do not see a need for a WM representative. We understand FC will be having a representative and we would like to be able to provide input to AEOD through the FC representative as required.
