Dear Ms. Hemby:

Enclosed is NRC License No. XT08550, representing the completion of shipment of 35 metric tons of tin concentrate to Capper Pass & Son Limited, Yorkshire, England.

Also enclosed is a new license application for the shipment of an additional thirty-five (35) metric tons of similar tin concentrate to the same consignee, Capper Pass & Son Limited. This concentrate will be available for shipment on March 1, 1983.

Thank you for your assistance in this matter and please call if you need any further information.

Sincerely,

Gary G. Van Riper
Deputy Director, Environmental Control
