

UNITED STATES
NUCLEAR REGULATORY COMMISSION

WASHINGTON, D.C. 20555-0001

MAR 22 1994

IA 94-003

Mr. Robert C. Dailey
(Address deleted)

Dear Mr. Dailey:

SUBJECT: ORDER PROHIBITING INVOLVEMENT IN CERTAIN NRC-LICENSED
OR REGULATED ACTIVITIES (EFFECTIVE IMMEDIATELY)

The NRC received Licensee Event Reports from two NRC licensees indicating that an employee of Nuclear Support Services, Inc., (NSSI) had been improperly granted unescorted access at their plants based on written requests from you certifying that the individual had met all Fitness for Duty requirements. These requests belied the fact that the individual had four past drug-related access denials at other nuclear plants since 1987. When asked about these matters by an investigator from the NRC Office of Investigations (OI Report No. 3-91-017) in January 1993, you stated that you had made the licensees aware of the past access denials while they were considering the applications for access authorization. Additional evidence obtained during the OI investigation proved this to be a false statement. Providing false information to the Commission is a violation of 10 CFR 50.5(a)(2) of the Commission's regulations.

The enclosed Order is being issued because of your violation of 10 CFR 50.5(a)(2) as described in the Order. You must respond to and comply with the Order. Failure to comply with the provisions of this Order may result in civil or criminal sanctions. Questions concerning this Order should be addressed to Mr. James Lieberman, Director, Office of Enforcement, who can be reached at (301) 504-2741.

As a separate matter, an Order is being issued to NSSI requiring, among other things, that NSSI remove you from participation in NRC-licensed or regulated activities. A copy of that Order is enclosed for your information and use. As indicated in that Order, you may respond to the NSSI Order.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter and the enclosure will be placed in the NRC's Public Document Room.

Sincerely,

James L. Milhoan
Deputy Executive Director for Nuclear
Reactor Regulation, Regional Operations
and Research

Enclosure: As stated
