Dear Sir:

I am in the process of writing an article on the employee protection provision of the Energy Reorganization Act (42 U.S.C. §5851). I am aware that the administration of this section is entrusted to the Secretary of Labor, but I am requesting, pursuant to the Freedom of Information Act, any information the Commission might have on implementation of this feature of the act, including a description of the Commission's involvement with enforcement proceedings and copies of any guidelines, reports, recommendations or determinations which the Commission has made regarding section 5851.

Because I am using this information for an article, I would be grateful if you could waive any copying or search charges. If this is not possible, please let me know if the charges will exceed \$100.00. If you have any questions regarding this request please contact me.

Thank you for your assistance.

Sincerely,

William C. Marcoux
