Gentlemen:

SUBJECT: REPORT NOS. 50-259/82-33, 50-260/82-33 AND 50-296/82-33

Thank you for your letter of November 24, 1982, and for your supplemental response letter of January 10, 1983, informing us of the steps you have taken to correct the violations concerning activities under NRC License Nos. DPR-33, DPR-52 and DPR-68 brought to your attention in our letter of October 21, 1982.

As requested in your January 10 letter, we are obtaining a written NRC interpretation of the requirements of IWP-6210 and IWV-6210 of ASME Section XI (80W80). The interpretation will be provided to you in future correspondence.

We will examine your corrective action and plans for the above referenced violations during subsequent inspections.

We appreciate your cooperation with us.

Sincerely,

R. C. Lewis, Director
Division of Project and
Resident Programs
