Dear Sir or Madam:

I would appreciate receiving copies of all the reports generated by the Nuclear Regulatory Commission from the investigation(s) of the allegations made by Charles J. Michaels in his March 16, 1982 letter to John Kinneman, Chief of Material Radiological Protection Section of the Nuclear Regulatory Commission.

Please inform me if there will be a charge for these reports so I may have a purchase order for their requisition approved.

Thanking you in advance for your assistance.

Sincerely,

James F. Emigh, Pharmacist
