

OFFICE OF ENFORCEMENT  
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Individual: Bill Headley (IA 94-002)

Subject: ORDER REQUIRING NOTICE TO CERTAIN EMPLOYERS AND PROSPECTIVE EMPLOYERS AND NOTIFICATION OF NRC OF CERTAIN EMPLOYMENT IN NRC-LICENSED ACTIVITIES (EFFECTIVE IMMEDIATELY)

This is to inform the Commission that an Order will be issued today to Mr. Bill Headley. This Order is based on Mr. Headley's deliberate actions in failing to make daily and weekly radiation surveys in the nuclear medicine department where he is employed and falsifying NRC-required records to make it appear that the surveys had, in fact, been performed. These violations continued over a period of approximately two and a half years.

The Order requires that Mr. Headley notify the NRC if he is currently employed or accepts employment involving NRC-licensed activities with any employer other than the licensee where the violations occurred and that he provide a copy of the Order to such employers and prospective employers. This action was approved by the Commission in an SRM dated March 10, 1994.

Separate enforcement action is being taken against the licensee where the violations occurred (EA 93-250).
