Docket No. 50-440  
Docket No. 50-441

The Cleveland Electric Illuminating  
Company

ATTN: Mr. Murray R. Edelman  
Vice President  
Nuclear Group  
Post Office Box 5000  
Cleveland, OH 44101

Gentlemen:

This refers to the routine inspection conducted by Mr. K. R. Naidu of this office on November 1-4, 1982, of activities at Perry Nuclear Power Plant, Units 1 and 2, authorized by NRC Construction Permits No. CPPR-148 and No. CPPR-149 and to the discussion of our findings with Mr. R. L. Farrell and others at the conclusion of the inspection.

The enclosed copy of our inspection report identifies results of the review of the corrective action you have taken to correct the items of noncompliance which we brought to your attention in Inspection Reports No. 50-440/81-19; 50-441/81-19 forwarded by our letter dated September 27, 1982.

Our report identifies areas where additional information or action is needed to resolve the items of noncompliance. Please respond to this letter within 20 days providing the additional information requested, including any proposed further actions to be taken.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter, the enclosures, and your response to this letter will be placed in the NRC's Public Document Room. If this report contains any information that you (or your contractors) believe to be exempt from disclosure under 10 CFR 9.5(a)(4), it is necessary that you (a) notify this office by telephone within ten (10) days from the date of this letter of your intention

to file a request for withholding; and (b) submit within twenty-five (25) days from the date of this letter a written application to this office to withhold such information. If your receipt of this letter has been delayed such that less than seven (7) days are available for your review, please notify this office promptly so that a new due date may be established. Consistent with Section 2.790(b)(1), any such application must be accompanied by an affidavit executed by the owner of the information which identifies the document or part sought to be withheld, and which contains a full statement of the reasons which are the bases for the claim that the information should be withheld from public disclosure. This section further requires the statement to address with specificity the considerations listed in 10 CFR 2.790(c)(4). The information sought to be withheld shall be incorporated as far as possible into a separate part of the affidavit. If we do not hear from you in this regard within the specified periods noted above, a copy of this letter, the enclosures, and your response to this letter will be placed in the Public Document Room.

We will gladly discuss any questions you have concerning this inspection.

Sincerely,

"Original Signed by C.E. Norelius"

C. E. Norelius, Director  
Division of Engineering and  
Technical Programs
