MEMORANDUM FOR: John T. Collins, Regional Administrator

FROM: G. T. Hubbard, Equipment Qualification Engineer, Equipment Qualification Section, Vendor Program Branch

THRU: H. S. Phillips, Chief, Equipment Qualification Section, Vendor Program Branch
 U. Potapovs, Chief, Vendor Program Branch, Division of Vendor and Technical Programs

SUBJECT: REQUEST FOR WAIVER OF PRESENT PER DIEM RATE

In accordance with a memorandum from Angelo S. Puglise, Director, Division of Accounting, dated February 13, 1980, this is to request a waiver from present per diem rate of \$50.00 per day for the location of Wickliffe, Ohio, in the Cleveland, Ohio, area to an actual subsistence rate not to exceed the cost of the motel plus \$23.00 per day.

Travel is to an area adjacent to a designated High Rate Geographical Area (HRGA) (Cleveland) and the subsistence at available facilities are commensurate with those in the HRGA. The nearest motel with suitable eating facilities costs \$41.25 per night and is in Wickliffe, Ohio. This exceeds by more than 10% the per diem allowance of \$27.50 for the motel and, therefore, meets the requirements of NRC Appendix 1501, Part IV, Annex C,c.(3)(d).

The request for waiver applies to G. T. Hubbard and L. B. Parker.
