Dear Mr. Knotts:

This refers to your letter to Ms. Ann Hodgdon of this office concerning the documents produced by TUGCO in response to a NRC Staff subpoena issued in the captioned matter. This will also confirm my telephone conversations with Mr. Gregory S. Powers of your offices wherein I advised that I had located the TUGCO exhibits in an NRC storage facility and Mr. Powers agreed that I could have the exhibits destroyed in lieu of returning them to you.

This is to inform you that the TUGCO exhibits in the Staff's possession have been destroyed. In addition, on February 9, 1983, Mr. Norman Lerner of TRANSCOMM, Staff's consultant in this matter, advised that the TUGCO exhibits furnished to him by the Staff have been destroyed.

Sincerely,

Benjamin H. Vogler
Deputy Antitrust Counsel
