Rec'd 3-4-82

Dear Sir/Madam:

Pursuant to 5 USC 552, the Freedom of Information Act as amended, I request receipt of the following documents concerning the Hayward Tyler Pump Company of Burlington, Vermont:

1. Report of an NRC inspection held February 25-29, 1980.
2. Report of an NRC investigation of worker allegations of quality assurance/quality control deficiencies at the plant which was initiated in January 1982.
3. Affidavits, interviews, testimony, etc. with/from alleged, company management and present employees concerning item 2.
4. All correspondence with the Hayward Tyler Pump Company concerning item 2.
5. All NRC intra- or inter-office memos concerning item 2, including any written records of telephone conversations.
6. A list of all nuclear power plants, research reactors or fuel cycle facilities which currently employ Hayward Tyler pumps and the systems in which such pumps are used. If this information is not available, I request written confirmation of this fact.
7. Any documents pertaining to NRC attempts to ascertain whether purchasers of Hayward Tyler pumps performed their own physical inspections (ie. radiographs) of the pumps upon receipt of the pumps or at any time prior to placing the pumps in service.

I realize that part or all of items 3-7 may be contained in items 1 and 2. I agree to accept copying costs for these documents. If microfiche copies are available of any of the requested documents, they would be preferred. If any clarification of this request is needed, I can be reached during the day at (212) 532-9512.

Thanks very much for your time and effort.
