IN RESPONSE REFER  
TO FOIA-82-343

Dear Ms. Weiss:

This is in response to your letter dated July 26, 1982 in which you requested, pursuant to the Freedom of Information Act, copies of all NRC contracts awarded to Science Applications, Inc., (SAI) since January 1, 1979. This confirms the information relayed during the telephone conversation between you and Linda Robinson on August 3, 1982.

The NRC routinely makes NRC contracts available for public inspection and copying at the NRC Public Document Room (PDR). I have been informed by NRC staff that all contracts subject to your request have already been made available at the PDR.

Inasmuch as you stated your intent to visit the PDR to inspect these contracts, please note that you may gain access to the requested records by asking a PDR librarian for the listings of contracts or a computer search for the requested contracts.

Sincerely,

A handwritten signature in cursive script that reads "John Philip for".

Division of Rules and Records
