Dear Ms. Hemby:

As per our telephone conversation of August 2, 1982, I am withdrawing my application for export of Thorium 232 metal foil to Viet Nam.

At present I do not have the reference number you are using but the application was a request by the International Atomic Energy Agency.

If you have any questions please feel free to contact me and I will be most happy to help you in any way that I can.

Very truly yours,

REACTOR EXPERIMENTS, INC.
