Docket No. 99900768/82-01

Gentlemen:

This letter serves to confirm our request and your concurrence by Mr. Ian Barns, Chief, R&CPS, for an extension of time to requirements for responses to your letter of August 6, 1982.

Specifically, the requirement for a written statement indicating corrective actions by September 6th (thirty days from date of letter) is now changed to a response by September 20th. The request for an exemption from disclosure originally required within ten days from the date of your letter is now changed to August 26th (i.e., two weeks from August 12th). If we determine to request disclosure exemption, we will call for appropriate extension of the filing date for the written application.

We appreciate your consideration.

Very truly yours,

Harry W. Feinstein
General Counsel
