Your attention is invited to the attached correspondence which contains:

- INCIDENT AND EVENT INFORMATION.....
- PROGRAM MANAGEMENT INFORMATION.....
- TRAINING COURSE INFORMATION.....XX Radioactive Waste Disposal
- TECHNICAL INFORMATION.....
- OTHER INFORMATION.....

Supplementary information: Argonne National Laboratory is sponsoring the IAEA Interregional Training Course "Safety Assessment Methodologies for Near-Surface Radioactive Waste Disposal" for February 14 to March 4, 1994 at Argonne, Illinois. Attached is a syllabus for the course. The Office of State Programs (OSP) is attempting to obtain training funding for one person from each Agreement State with a low-level waste site. Space is also very limited in the hands on computer training modules so we must limit the our funding to the individual who will attend this section of the course. Attendance by other personnel at the lecture portions of the course may be possible on a limited basis. To nominate your state's candidates please fax the enclosed Application for Training to our office. Please designate the individual you wish to have funded by OSP.
