Attention: Winfred Y. Lee, M.D.

Gentlemen:

Subject: NRC Enforcement Conference

This will confirm the telephone conversation between you and Mr. Thomas of this office on July 26, 1982 concerning an enforcement conference to be held between NRC management and you. We will arrive at your office at about 5:30 p.m. on Thursday, August 5, 1982. The following matters will be discussed with you:

1. Noncompliance observed during the most recent inspection at your facility.
2. Enforcement history at your facility.
3. NRC Enforcement Policy and Procedures.
4. NRC actions to be taken in the present situation.
5. Possible future actions by NRC.

You have received the Notice of Violation related to the last inspection, which records noncompliance to be discussed in Item 1, above.

While this enforcement conference is intended to be between NRC and licensee management, we have no objection if you wish to have a consultant or other appropriate persons present. We expect that the enforcement conference will take approximately one hour.

Let me know if you have any questions. My telephone number is 415-943-3700.

Sincerely,

H. E. Book, Chief
