Dear Mr. Jankovich,

As I stated to you on the phone, we completely overlooked the due date for our Quality Assurance Program and did not receive our customary notice.

We are requesting that our program be reinstated as is. We have not made any changes since the last submittal.

Per our conversation, I am faxing you a copy of this letter and we will overnight our check for \$370.00 and the original letter.

Thank you very much for your help.

Respectfully,

NORTH AMERICAN INSPECTION, INC.
