

OFFICE OF ENFORCEMENT
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: Radiation Management Consultants (EA 94-015)
Philadelphia, PA
Docket No. 030-06309

Subject: PROPOSED IMPOSITION OF CIVIL PENALTY - \$ 1,500

This is to inform the Commission that a Notice of Violation and Proposed Imposition of Civil Penalty in the amount of \$ 1,500 will be issued on or about March 24, 1994 to Radiation Management Consultants. This action is based on transfer of ownership of a business to an unlicensed individual without informing the NRC or obtaining its consent and transfer of licensed material to a person not authorized to receive it (see also, EA 93-303, EN 94-027). The staff exercised discretion in lieu of the escalation/mitigation factors and increased the base civil penalty by 200% to emphasize the importance of complying with requirements regarding changes of ownership and possession of licensed material.

It should be noted that the licensee has not been specifically informed of the enforcement action. The schedule of issuance and notification is:

Mailing of Notice March 24, 1994
Telephone Notification of Licensee March 24, 1994

The Commonwealth of Pennsylvania will be notified.

The licensee has thirty days from the date of the Notice in which to respond. Following NRC evaluation of the response, the civil penalty may be remitted, mitigated, or imposed by Order.
