WASHINGTON, D. C. 20555

August 2, 1982

Mr. Fred Eissler
President
Scenic Shoreline Preservation Conference, Inc.
4623 More Mesa Drive
Santa Barbara, CA 93110

IN RESPONSE REFER
TO FOIA-82-286

Dear Mr. Eissler:

This is in response to your letters dated June 19 and July 18, 1982, in which you requested, pursuant to the Freedom of Information Act, documents relating to the Hosgri Fault between October 1972 and September 1973.

A thorough search of the NRC files revealed only a small volume of documents which may relate to your request. Appendix A is a listing of the documents, which are enclosed.

As explained in a telephone conversation between you and Nina Toms, a member of my staff, we suggest you also contact the U.S. Geological Survey for any documents they may have regarding your request.

Should you have any further questions regarding your request, please contact Nina L. Toms at (301)492-8133.

This completes NRC's action on your request.

Sincerely,

A handwritten signature in cursive script, appearing to read "John Philip".

J. M. Felton, Director
Division of Rules and Records
Office of Administration

Enclosures: As stated
