NRC STAFF MOTION TO VACATE PROTECTIVE ORDER

INTRODUCTION

The NRC staff (Staff) hereby moves the Atomic Safety and Licensing Board (Board) designated in the above-captioned proceeding to vacate the protective order, issued on February 1, 1994.

DISCUSSION

On February 1, 1994, the Board granted the Staff's motion for a protective order, protecting 19 documents from disclosure through civil discovery. "Order (Prehearing Conference Order)" (Order). In its Order, the Board postponed the production of documents specified in the Staff's motion until the Department of Justice (DOJ) declines the agency's criminal referrals involving the matters relating to the January 1993 suspension order. DOJ determines that the release of those documents will not harm its criminal proceeding, or until further order of the Board. Order at 2.
