In the Matter of
PHILADELPHIA ELECTRIC COMPANY
(Limerick Generating Station, Units 1 and 2)
Docket Nos. 50-352 and 50-353

Dear Administrative Judges:

On September 8, 1982, Staff counsel was advised by Miss Lucinda Minton that the Licensing Board wanted the Staff's Response To Del-Aware's Application For Approval Of Petition To Amend Contentions served on all persons on the service list for the captioned proceeding. Staff's service on the previous day included only the Board and the parties participating in the Supplementary Cooling Water System hearing.

In accordance with the Board's request, copies of the Staff's response are being provided to all persons on the service list not previously served. Until further notice by the Board, the Staff will continue to serve pleadings to the full service list.

Sincerely,

Ann P. Hodgdon
