NRC STAFF TESTIMONY IN REOPENED HEARING

By Memorandum and Order dated December 29, 1982 (ALAB-708) the Appeal Board reopened the record in this proceeding to receive further testimony regarding the decay heat removal process at TMI-1. The Staff was directed to present supplemental written testimony on selected issues identified by the Appeal Board. By Order dated January 18, 1983 the Appeal Board directed that all supplemental written testimony be in the hands of the Board and the parties no later than the close of business on Wednesday, February 16, 1983.

The Staff's supplemental written testimony, with summaries, on the nine matters on which it was directed to provide such testimony is enclosed.

Respectfully submitted,

James M. Cutchin IV
Counsel for NRC Staff
