

JUL 10 1981

MEMORANDUM FOR: Learned W. Barry, Controller  
FROM: Daniel J. Donoghue, Director, Office of Administration  
SUBJECT: PAY RAISE INCREASES AND INFLATIONARY FACTOR

We have been given a deadline of August 31, 1981 to develop a revised fee schedule. To meet this deadline established by the Commission, we will need the following information from your office:

1. The percentage of the pay raise increases adopted by the NRC (42 USC 2001D PL 93-438) for each of the past four fiscal years FY 1978 through 1981.
2. The percentage amounts (inflationary factor) for each year that your office supplied to the program offices for their use in budget development. The factor was applied to contractual and equipment items for FY 1978 through FY 1981.

Since time does not permit a complete re-analysis of the FY 1981 budget for fee purposes, we plan to apply the above information to our existing professional rates thereby escalating them to reflect current NRC costs. We would appreciate receiving the information by C.O.B. July 14, 1981.
