NRC LICENSE FEES

The Commission discussed the matter of license fees on November 3, 1981, and requested the staff to provide revised manpower rates based on the actual costs incurred for Fiscal Year 1981. Accordingly, please allocate the time spent by MPA in FY 1981 as follows:

The Commission's guidelines require that each office explain the basis for the distribution listed above. We have enclosed a copy of the MPA submittals to us dated February 16 and 23, 1977, which were used in the last revision of the fee schedule.

Based on the urgency of this matter, please furnish the information to Daniel J. Donoghue, Director, Office of Administration, by c.o.b. November 9, 1981.

If you have questions concerning this request, contact William O. Miller, 492-7225.
