

NOV 10 1981

MEMORANDUM FOR: Charles J. Fitti, Assistant Executive Secretary  
Atomic Safety and Licensing Board Panel

FROM: C. James Holloway, Jr., Assistant Chief, License Fee  
Management Branch, ADM

SUBJECT: ASLBP STAFF DATA - FY 1981

This will confirm our November 12, 1981 telephone conversation concerning your November 10, 1981 memo (dated October 10, 1981) in which you indicated in the first paragraph that ASLBP had 27 professional positions in FY 1981. In our conversation you indicated that 7 of these positions had not been filled for the entire fiscal year. After checking the employment records, you indicated that the 7 professionals should be converted to 2 full time equivalents (FTE's). This leaves a net of 22 FTE's on the ASLBP plus the 10 consultants referred to in your second paragraph for a total of 32 FTE's of Professional effort consumed in FY 1981.

Thank you for your assistance in this matter.

Signed, C. James Holloway, Jr.

C. James Holloway, Jr., Assistant Chief  
License Fee Management Branch  
Office of Administration
