NOTICE OF VIOLATION

Heritage Hospital

License No. 21-17789-01

As a result of the inspection conducted on August 27, 1982, and in accordance with the NRC Enforcement Policy, 47 FR 9987 (March 9, 1982), the following violation was identified:

License Condition No. 15 requires that licensed material be possessed and used in accordance with statements, representations, and procedures contained in certain referenced applications and letters.

The referenced application dated September 15, 1977, states in Appendix M that the Medical Isotopes Committee will meet at least quarterly.

Contrary to the above, the committee has met only four times, January and June 1979, September 1981, and December 1982, since the requirement began January 26, 1978.

This is a Severity Level V violation (Supplement VI).

Pursuant to the provisions of 10 CFR 2.201, you are required to submit to this office within thirty days of the date of this Notice a written statement or explanation in reply, including for each item of noncompliance: (1) corrective action taken and the results achieved; (2) corrective action to be taken to avoid further noncompliance; and (3) the date when full compliance will be achieved. Consideration may be given to extending your response time for good cause shown.
