Dear Mr. Sargent:

In my letter of December 29, 1993, addressing your proposed Vicinity Survey Plan, I indicated that I recognized that remediation of and additional sampling in the vacant lot owned by the Fryers, across from 2818 Bert Avenue, could be postponed until after the pending legal issues are resolved. Based on our discussions at the February 23, 1994, meeting with the Ohio Environmental Protection Agency, in Columbus, Ohio, we understand that the legal actions have been settled. If there are no further legal impediments, please provide us, by April 29, 1994, your plan for remediation of the contamination confirmed in our inspection report, dated December 17, 1993, and for further sampling of the area that was alleged to have been backfilled.

If you have any questions, please contact me at 301-504-3603.

Sincerely,
