Washington, DC 20555

Dear Sir:

Subject: Oyster Creek Nuclear Generating Station  
Docket No. 50-219  
Licensee Event Report 93-006

This letter is to inform you of a change to the expected submission date for LER 93-006 Supplemental Report stated on NRC Form 366N, Item 15.

The new expected submission date is 12/31/94, an extension of the initial given date of 3/31/94. We expect our full review to be completed and any required procedure changes to be made by this new date. The scope of this review has been found to be more involved than initially anticipated. Therefore, more time is needed to effectively complete our evaluation.

If you should have any questions, please contact Terry Sensue, OC Licensing Engineer at 971-4680.

Sincerely,

*for* John J. Barton
