Docket No. 30-4399

Department of Energy Chicago
Operations Office
ATTN: Dr. Carleton Bingham
Director
New Brunswick Laboratory, D-350
9800 South Cass Avenue
Argonne, IL

Gentlemen:

Thank you kindly for your letter, dated August 12, 1982, and for your assistance in providing for temporary storage of sealed sources with radiographic exposure devices removed by the NRC on July 30, 1982, from Midstate Testing Laboratory, Inc. We also appreciate the efforts of your staff in preparing the sources and exposure devices for shipment from the New Brunswick Laboratory on August 10, 1982, to Technical Operations in Burlington, Massachusetts.

We especially appreciate the fact that your help was generously given on short notice.

Sincerely,

"Original Signed by C.E. Norelius"

Dear Mr. Keppler:

The sealed sources which the DOE New Brunswick Laboratory (NBL) accepted from your office for temporary storage on July 30, 1982, were transported to the consignee designated by your staff. The shipment departed the NBL loading dock on August 10, 1982.

NBL was pleased to have been able to provide the service required for NRC on an expedited schedule. If we can be of future service, please do not hesitate to ask.

Sincerely,

Carleton D. Bingham
