Docket No. 40-8084

MEMORANDUM FOR: William O. Miller, Chief, LFMB, ADM  
FROM: Roger T. Woolsey, Project Manager, LB2, URFO, RIV  
SUBJECT: FEE EXEMPTION FOR AMENDMENT NO. 17, SUA-1119

While the NRC was discussing some structural changes to one of the Rio Algom Corporation's tailings embankments, the licensee informed us that they would not be able to use the embankment since Condition No. 26 contained in the renewal for License No. SUA-1119 would authorize only tailings liquid. Since this was an obvious licensing error, a corrective amendment was issued. This amendment is exempt from fees.
