SUBJECT: EDLOW INTERNATIONAL COMPANY REQUEST FOR REFUND OF EXPORT
LICENSING FEE

By application dated June 30, 1992, Edlow International Company applied for a license (XB001283) to export tritium to South Africa; a check in the amount of \$3,600.00 to cover the licensing fee accompanied the application. Since the company had not received a license and had not been advised of the status of the application, on June 11, 1993, they requested termination of the export license review and refund of the export licensing fee.

A copy of our June 29 response to Edlow was forwarded to you along with a copy of their request for a refund. On January 26, 1994, the company sent a follow-up request regarding the refund. For your convenience in responding to the applicant, we are attaching copies of all the pertinent correspondence. If you have any questions regarding this request, please call me or Betty Wright on my staff at 504-2344.
